

Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to giving new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like providing products which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

When considered necessary, the workers within TREK and its various dealer members in both parts and in technical support will be obtainable. One of their core values is their high service dedication in their customer service. Keeping their customers' cleaning equipment ready and functioning on a daily basis is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
