

Fork Mounted Sweepers

Fork Mounted Sweeper - This attachment actually makes industrial sweeping work a lot easier to do. The versatile forklift mounted broom is meant for use with either dry or wet material clean ups. It can push snow and squeegee water with no trouble. This attachment is normally used so as to clean trash from construction sites, docks, parking lots, warehouses and virtually everywhere it is needed. The lift truck sweeper is a low maintenance attachment which uses quick-tite tine products to effortlessly connect to the lift truck.
